Exploring Ancient Architecture and Art Graphic Organizer

Directions: To begin our understanding of the major themes and features of Ancient Egyptian art and architecture, we are going to explore and analyze pieces on our own. In groups of three, you will be given either an artifact of Ancient Egyptian architecture or art that your group will present to the class. You will complete the following: 1). **Find five facts about your artifact** 2). **images of your artifact** 3). **Written analysis (What do I see? Patterns, specific shapes, colors, lines, etc.) of your artifact.**

1). What is our team's artifact? _____

2). Is it an example of Ancient Egyptian architecture or art? _____

3). What are five facts about your artifact

[illegible]

4). What do you observe? (i.e patterns, shapes, specific designs, colors, etc.)
