

## Math is Art! Project Rubric

Your name \_\_\_\_\_

Title of Art \_\_\_\_\_

Please look through the rubric, and place a check on which area you believe represents your art piece.

Category	Getting There! (2)	Looking Good! (4)	Got it! (6)
<b>Traced Art Work</b>	The art piece is recognizable, but not done to a professional's standard.	The art piece is recognizable, and looks somewhat professionally done.	The art piece is done to high quality. It is recognizable and looks very professionally done.
<b>X and Y-Axis</b>	The X and Y axis is not drawn, or is poorly drawn on the artwork. Is not appropriately labeled.	The X and Y axis are drawn, but does not contain completely straight lines. The axes has an appropriately labeled scale.	The X and Y axis are labeled, and the lines are straight. Both axes has an appropriately labeled scale.
<b>50 ordered Pair</b>	The artwork contains below 40 ordered pair. Ordered pair are not labeled correctly.	The artwork contains between 40 -49 ordered pairs. Some ordered pairs are not labeled correctly, and are found on the art.	The artwork contains at least 50 ordered pairs. All ordered pairs are labeled correctly, and are found on the art itself (not outside of the art)
<b>Reflective Pairs</b>	The artist has found below 8 reflective ordered pairs. There are inaccuracies in mirroring across the x and y-axis.	The artist has found at least 8 reflective ordered pairs. The ordered pair may have some inaccuracies mirroring across the x and y axis.	The artist has found 10 reflective ordered pairs. The ordered pair are accurately mirrored across the x and y axis.
<b>Line Distances</b>	The artist has found below 8 vertical/horizontal line distances. Used absolute value incorrectly and/or does not show all work.	The artist has found at least 8 vertical/horizontal line distances using absolute value, may have some inaccuracies. Shows work and plots the endpoints for each line.	The artist has found 10 vertical/horizontal line distances using absolute value accurately. Shows all math work and plots the endpoints for each line.
<b>Artist Statement</b>	The artist is not detailed in statement may be missing both components and has many grammatical	The artist has a detailed statement that has few grammatical mistakes or misses one component.	The artist has a detailed statement on the historical significance of artwork and why they choose the art piece

	mistakes.		without grammatical mistakes
