### Opening the Tomb Project Grading Rubric

Please be honest when scoring your models. Mr. Curtis will consider your grade based on your honesty, and will include it with your final grade for the project.

#### Complete Prototype (10 pts.)

| Score    | Description  | Your Score | Score |
|----------|--|------------|-------|
| <b>3</b> | <b><i>Exceptional-Complete Prototype</i></b><br><i>Scaled drawing on graph paper was complete and approved by Mr. Curtis. All structures were complete and finished on time for critique session.</i>            |            |       |
| <b>2</b> | <b><i>Approaching</i></b><br><i>Scaled drawing on graph paper was complete and approved by Mr. Curtis. Some structures were complete and finished on time for critique session.</i>                              |            |       |
| <b>1</b> | <b><i>Attempts</i></b><br><i>Scaled drawing on graph paper, but either not complete or approved by Mr. Curtis. One of the required three structures were complete and finished on time for critique session.</i> |            |       |
| <b>0</b> | <b><i>Not Completed</i></b><br><i>Scaled drawing was not complete. Structures were not complete.</i>   |            |       |

Was the prototype finished on time? (circle yes or no)    Yes or No

#### Website (25 pts)

| Score    | Description   | Your Score | Score |
|----------|---|------------|-------|
| <b>3</b> | <b><i>Exceptional- Complete Website</i></b><br><i>Website has complete and succinct information on ancient city. Detailed and succinct information on Two of the three required structures. Information is written in student's own words or cited from a reliable resource. Written information does not have any grammatical mistakes. Complete process page with details on the process of the project as well as photographs depicting the process.</i> |            |       |
| <b>2</b> | <b><i>Approaching- Website need a few improvements</i></b><br><i>Website has some detailed information on accent city. Website has some detailed information on two of the three required structures. Written work has few grammatical mistakes. Process page is complete but missing few elements.</i>   |            |       |

|          |   |  |  |
|----------|---|--|--|
| <b>1</b> | <i><b>Attempts-</b> Website needs significant improvements. Information found on city is not detailed or thorough enough to gain significant understanding. Written work has many grammatical mistakes. Process page is incomplete. Website is incomplete in whole.</i> |  |  |
| <b>0</b> | <i><b>Not Completed-</b> Did not complete. Website was not complete.</i>  |  |  |

Was City website finished on time? (circle yes or no)      Yes or No

### Complete Final Model and Label Measurements (50 pts.)

| Score    | Description   | Your Score | Score |
|----------|---|------------|-------|
| <b>3</b> | <i><b>Exceptional-</b> Complete Final Model<br/>Ancient City Model is complete with perfected structures. Structures are painted and finely detailed. Area, Volume, and Surface Area is found and accurate for each structure. City Label is created and attached to model.</i> |            |       |
| <b>2</b> | <i><b>Approaching</b><br/>Ancient city model is complete and need few improvements. Structure is painted. Area, Volume, and Surface area is found and may have few mistakes in accuracy. City Label is created and attached to model.</i>                                       |            |       |
| <b>1</b> | <i><b>Attempts</b><br/>Ancient City model is incomplete, either missing structures required. Structures are neither painted nor detailed. Area, Volume, and Surface Area measurements are incomplete and label is not attached to model.</i>                                    |            |       |
| <b>0</b> | <i><b>Not Completed-</b> Did not complete.<br/>Ancient City Model was not complete.</i>   |            |       |

Was final model finished on time? (circle yes or no)      Yes or No

**Self Reflection (Must be completed to receive credit!)**

How well did you work with your partner during this project? (Things to consider; How was your time spent during class time? Did you distract others? Did you finish on time? Did you try your best? Write 5-7 complete sentences answering these questions)

**Partner Reflection (Must be completed to receive credit!)**

How well did your partner work during this project? (Things to consider; Did he/she help you? Was he/she a distraction during class? Did he/she use their time wisely? Write 5-7 complete sentences answering these questions)
